Introduction

Scope of this ISA (NZ)

1. This International Standard on Auditing (New Zealand) (ISA (NZ)) deals with the auditor's responsibilities relating to an engagement to report on summary financial statements derived from financial statements audited in accordance with ISAs (NZ) by that same auditor.

Effective Date

2. This ISA (NZ) is effective for engagements to report on summary financial statements for periods ending on or after December 15, 2016.

NZ2.1 This ISA (NZ) supersedes ISA (NZ) 810, *Engagements to Report on Summary Financial Statements*.

Objectives

3. The objectives of the auditor are:
 - (a) To determine whether it is appropriate to accept the engagement to report on summary financial statements; and
 - (b) If engaged to report on summary financial statements:
 - (i) To form an opinion on the summary financial statements based on an evaluation of the conclusions drawn from the evidence obtained; and
 - (ii) To express clearly that opinion through a written report that also describes the basis for that opinion.

Definitions

4. For purposes of this ISA (NZ), the following terms have the meanings attributed below:
 - (a) Applied criteria – The criteria applied by management in the preparation of the summary financial statements.
 - (b) Audited financial statements – Financial statements¹ audited by the auditor in accordance with ISAs (NZ), and from which the summary financial statements are derived.
 - (c) Summary financial statements – Historical financial information that is derived from financial statements but that contains less detail than the financial statements, while still providing a structured representation consistent with that provided by the financial statements of the entity's economic resources or obligations at a point in time or the changes therein for a period of time.² Different jurisdictions may use different terminology to describe such historical financial information.

¹ ISA (NZ) 200, *Overall Objectives of the Independent Auditor and the Conduct of an Audit in Accordance with International Standards on Auditing (New Zealand)*, paragraph 13(f), defines the term "financial statements."

² ISA (NZ) 200, paragraph 13(f)

Requirements

Engagement Acceptance

5. The auditor shall accept an engagement to report on summary financial statements in accordance with this ISA (NZ) only when the auditor has been engaged to conduct an audit in accordance with ISAs (NZ) of the financial statements from which the summary financial statements are derived. (Ref: Para. A1)
 6. [Amended by the NZAuASB.]
- NZ6.1 Before accepting an engagement to report on summary financial statements, the auditor shall: (Ref: Para. A2)
- (a) Determine whether the applied criteria are acceptable;³ (Ref: Para. A3–A7)
 - (b) Obtain the agreement of those charged with governance that they acknowledge and understand their responsibility:
 - (i) For the preparation of the summary financial statements in accordance with the applied criteria;
 - (ii) To make the audited financial statements available to the intended users of the summary financial statements without undue difficulty (or, if law or regulation provides that the audited financial statements need not be made available to the intended users of the summary financial statements and establishes the criteria for the preparation of the summary financial statements, to describe that law or regulation in the summary financial statements); and
 - (iii) To include the auditor’s report on the summary financial statements in any document that contains the summary financial statements and that indicates that the auditor has reported on them.
 - (c) Agree with those charged with governance the form of opinion to be expressed on the summary financial statements (see paragraphs 9–11)
7. [Amended by the NZAuASB.]
- NZ7.1 If the auditor concludes that the applied criteria are unacceptable or is unable to obtain the agreement of those charged with governance set out in paragraph 6(b), the auditor shall not accept the engagement to report on the summary financial statements, unless required by law or regulation to do so. An engagement conducted in accordance with such law or regulation does not comply with this ISA (NZ). Accordingly, the auditor’s report on the summary financial statements shall not indicate that the engagement was conducted in accordance with this ISA (NZ). The auditor shall include appropriate reference to this fact in the terms of the engagement. The auditor shall also determine the effect that this may have on the engagement to audit the financial statements from which the summary financial statements are derived.

³ In New Zealand summary financial statements would normally be prepared in accordance with FRS-43: *Summary Financial Statements*.

Nature of Procedures

8. The auditor shall perform the following procedures, and any other procedures that the auditor may consider necessary, as the basis for the auditor's opinion on the summary financial statements:
 - (a) Evaluate whether the summary financial statements adequately disclose their summarised nature and identify the audited financial statements.
 - (b) When summary financial statements are not accompanied by the audited financial statements, evaluate whether they describe clearly:
 - (i) From whom or where the audited financial statements are available; or
 - (ii) The law or regulation that specifies that the audited financial statements need not be made available to the intended users of the summary financial statements and establishes the criteria for the preparation of the summary financial statements.
 - (c) Evaluate whether the summary financial statements adequately disclose the applied criteria.
 - (d) Compare the summary financial statements with the related information in the audited financial statements to determine whether the summary financial statements agree with or can be recalculated from the related information in the audited financial statements.
 - (e) Evaluate whether the summary financial statements are prepared in accordance with the applied criteria.
 - (f) Evaluate, in view of the purpose of the summary financial statements, whether the summary financial statements contain the information necessary, and are at an appropriate level of aggregation, so as not to be misleading in the circumstances.
 - (g) Evaluate whether the audited financial statements are available to the intended users of the summary financial statements without undue difficulty, unless law or regulation provides that they need not be made available and establishes the criteria for the preparation of the summary financial statements. (Ref: Para. A8)

Form of Opinion

9. When the auditor has concluded that an unmodified opinion on the summary financial statements is appropriate, the auditor's opinion shall, unless otherwise required by law or regulation, use one of the following phrases: (Ref: Para. A9)
 - (a) The accompanying summary financial statements are consistent, in all material respects, with the audited financial statements, in accordance with [*the applied criteria*]; or
 - (b) The accompanying summary financial statements are a fair summary of the audited financial statements, in accordance with [*the applied criteria*].
10. If law or regulation prescribes the wording of the opinion on summary financial statements in terms that are different from those described in paragraph 9, the auditor shall:

- (a) Apply the procedures described in paragraph 8 and any further procedures necessary to enable the auditor to express the prescribed opinion; and
 - (b) Evaluate whether users of the summary financial statements might misunderstand the auditor's opinion on the summary financial statements and, if so, whether additional explanation in the auditor's report on the summary financial statements can mitigate possible misunderstanding.
11. If, in the case of paragraph 10(b), the auditor concludes that additional explanation in the auditor's report on the summary financial statements cannot mitigate possible misunderstanding, the auditor shall not accept the engagement, unless required by law or regulation to do so. An engagement conducted in accordance with such law or regulation does not comply with this ISA (NZ). Accordingly, the auditor's report on the summary financial statements shall not indicate that the engagement was conducted in accordance with this ISA (NZ).

Timing of Work and Events Subsequent to the Date of the Auditor's Report on the Audited Financial Statements

12. The auditor's report on the summary financial statements may be dated later than the date of the auditor's report on the audited financial statements. In such cases, the auditor's report on the summary financial statements shall state that the summary financial statements and audited financial statements do not reflect the effects of events that occurred subsequent to the date of the auditor's report on the audited financial statements (Ref: Para. A10)
13. The auditor may become aware of facts that existed at the date of the auditor's report on the audited financial statements, but of which the auditor previously was unaware. In such cases, the auditor shall not issue the auditor's report on the summary financial statements until the auditor's consideration of such facts in relation to the audited financial statements in accordance with ISA (NZ) 560⁴ has been completed.

Information in Documents Containing Summary Financial Statements

14. The auditor shall read the information included in a document containing the summary financial statements and the auditor's report thereon and consider whether there is a material inconsistency between that information and the summary financial statements.
15. If the auditor identifies a material inconsistency, the auditor shall discuss the matter with management and determine whether the summary financial statements or the information included in the document containing the summary financial statements and the auditor's report thereon needs to be revised. If the auditor determines that the information needs to be revised and management refuses to revise the information as necessary, the auditor shall take appropriate action in the circumstances, including considering the implications for the auditor's report on the summary financial statements. (Ref: Para. A11–A16)

17. If the addressee of the summary financial statements is not the same as the addressee of the auditor's report on the audited financial statements, the auditor shall evaluate the appropriateness of using a different addressee. (Ref: Para. A18)

⁵ Paragraphs 19–20, which deal with circumstances where the auditor's report on the audited financial statements has been modified, require additional elements to those listed in this paragraph.

⁶ Or other terms that are appropriate in the context of the legal framework for the entity.

⁷ Or other terms that are appropriate in the context of the legal framework for the entity.

18. The auditor shall date the auditor's report on the summary financial statements no earlier than: (Ref: Para. A20)
- (a) The date on which the auditor has obtained sufficient appropriate evidence on which to base the opinion, including evidence that the summary financial statements have been prepared and those with the recognised authority have asserted that they have taken responsibility for them; and
 - (b) The date of the auditor's report on the audited financial statements.

Reference to the Auditor's Report on the Audited Financial Statements (Ref: Para. A23)

19. When the auditor's report on the audited financial statements includes:

- (i) State that the auditor's report on the audited financial statements includes a qualified opinion, an Emphasis of Matter paragraph, an Other Matter paragraph, a *Material Uncertainty Related to Going Concern* section, communication of key audit matters, or a statement that describes an uncorrected material misstatement of the other information; and (Ref: Para. A21)

⁸ ISA (NZ) 705 (Revised), *Modifications to the Opinion in the Independent Auditor's Report*.

⁹ ISA (NZ) 706 (Revised), *Emphasis of Matter Paragraphs and Other Matter Paragraphs in the Independent Auditor's Report*.

¹⁰ ISA (NZ) 570 (Revised), *Going Concern*, paragraph 22.

¹¹ ISA (NZ) 701, *Communicating Key Audit Matters in the Independent Auditor's Report*.

¹² ISA (NZ) 720 (Revised), *The Auditor's Responsibilities Related to Other Information*.

- auditor's report on the audited financial statements and the effect(s) thereof, if any, on the summary financial statements; or
- c. The uncorrected material misstatement of the other information and the effect(s) thereof, if any, on the information included in a document containing the summary financial statements and the auditor's report thereon. (Ref: Para. A15)
20. When the auditor's report on the audited financial statements contains an adverse opinion or a disclaimer of opinion, the auditor's report on the summary financial statements shall, in addition to the elements in paragraph 16:
- (a) State that the auditor's report on the audited financial statements contains an adverse opinion or disclaimer of opinion;
 - (b) Describe the basis for that adverse opinion or disclaimer of opinion; and
 - (c) State that, as a result of the adverse opinion or disclaimer of opinion on the audited financial statements, it is inappropriate to express an opinion on the summary financial statements. (Ref: Para. A23)

Modified Opinion on the Summary Financial Statements

21. If the summary financial statements are not consistent, in all material respects, with or are not a fair summary of the audited financial statements, in accordance with the applied criteria, and management does not agree to make the necessary changes, the auditor shall express an adverse opinion on the summary financial statements. (Ref: Para. A23)

Restriction on Distribution or Use or Alerting Readers to the Basis of Accounting

22. When distribution or use of the auditor's report on the audited financial statements is restricted, or the auditor's report on the audited financial statements alerts readers that the audited financial statements are prepared in accordance with a special purpose framework, the auditor shall include a similar restriction or alert in the auditor's report on the summary financial statements.

Comparatives

23. If the audited financial statements contain comparatives, but the summary financial statements do not, the auditor shall determine whether such omission is reasonable in the circumstances of the engagement. The auditor shall determine the effect of an unreasonable omission on the auditor's report on the summary financial statements. (Ref: Para. A24)
24. If the summary financial statements contain comparatives that were reported on by another auditor, the auditor's report on the summary financial statements shall also contain the matters that ISA (NZ) 710 requires the auditor to include in the auditor's report on the audited financial statements.¹³ (Ref: Para. A25)

¹³ ISA (NZ) 710, *Comparative Information—Corresponding Figures and Comparative Financial Statements*

Unaudited Supplementary Information Presented with Summary Financial Statements

25. The auditor shall evaluate whether any unaudited supplementary information presented with the summary financial statements is clearly differentiated from the summary financial statements. If the auditor concludes that the entity's presentation of the unaudited supplementary information is not clearly differentiated from the summary financial statements, the auditor shall ask management to change the presentation of the unaudited supplementary information. If management refuses to do so, the auditor shall explain in the auditor's report on the summary financial statements that such information is not covered by that report. (Ref: Para. A26)

Auditor Association

26. If the auditor becomes aware that the entity plans to state that the auditor has reported on summary financial statements in a document containing the summary financial statements, but does not plan to include the related auditor's report, the auditor shall request management to include the auditor's report in the document. If management does not do so, the auditor shall determine and carry out other appropriate actions designed to prevent management from inappropriately associating the auditor with the summary financial statements in that document. (Ref: Para. A27)
27. The auditor may be engaged to report on the financial statements of an entity, while not engaged to report on the summary financial statements. If, in this case, the auditor becomes aware that the entity plans to make a statement in a document that refers to the auditor and the fact that summary financial statements are derived from the financial statements audited by the auditor, the auditor shall be satisfied that:
- (a) The reference to the auditor is made in the context of the auditor's report on the audited financial statements; and
 - (b) The statement does not give the impression that the auditor has reported on the summary financial statements.

If (a) or (b) are not met, the auditor shall request management to change the statement to meet them, or not to refer to the auditor in the document. Alternatively, the entity may engage the auditor to report on the summary financial statements and include the related auditor's report in the document. If management does not change the statement, delete the reference to the auditor, or include an auditor's report on the summary financial statements in the document containing the summary financial statements, the auditor shall advise management that the auditor disagrees with the reference to the auditor, and the auditor shall determine and carry out other appropriate actions designed to prevent management from inappropriately referring to the auditor. (Ref: Para. A27)

Application and Other Explanatory Material

Engagement Acceptance (Ref: Para. 5–6)

- A1. The audit of the financial statements from which the summary financial statements are derived provides the auditor with the necessary knowledge to discharge the auditor's

responsibilities in relation to the summary financial statements in accordance with this ISA (NZ). Application of this ISA (NZ) will not provide sufficient appropriate evidence on which to base the opinion on the summary financial statements if the auditor has not also audited the financial statements from which the summary financial statements are derived.

A2. [Amended by the NZAuASB.]

NZA2.1 Those charged with governance's agreement with the matters described in paragraph 6 may be evidenced by their written acceptance of the terms of the engagement.

Criteria (Ref: Para. 6(a))

A3. The preparation of summary financial statements requires management to determine the information that needs to be reflected in the summary financial statements so that they are consistent, in all material respects, with or represent a fair summary of the audited financial statements. Because summary financial statements by their nature contain aggregated information and limited disclosure, there is an increased risk that they may not contain the information necessary so as not to be misleading in the circumstances. This risk increases when established criteria for the preparation of summary financial statements do not exist.

A4. Factors that may affect the auditor's determination of the acceptability of the applied criteria include:

- The nature of the entity;
- The purpose of the summary financial statements;
- The information needs of the intended users of the summary financial statements; and
- Whether the applied criteria will result in summary financial statements that are not misleading in the circumstances.

A5. The criteria for the preparation of summary financial statements may be established by an authorised or recognised standards setting organisation or by law or regulation. Similar to the case of financial statements, as explained in ISA (NZ) 210,¹⁴ in many such cases, the auditor may presume that such criteria are acceptable.

A6. Where established criteria for the preparation of summary financial statements do not exist, criteria may be developed by management, for example, based on practice in a particular industry. Criteria that are acceptable in the circumstances will result in summary financial statements that:

- (a) Adequately disclose their summarised nature and identify the audited financial statements;
- (b) Clearly describe from whom or where the audited financial statements are available or, if law or regulation provides that the audited financial statements need not be made available to the intended users of the summary financial statements and establishes the criteria for the preparation of the summary financial statements, that law or regulation;

¹⁴ ISA (NZ) 210, *Agreeing the Terms of Audit Engagements*, paragraphs A3 and A8–A9.

- (c) Adequately disclose the applied criteria;
- (d) Agree with or can be recalculated from the related information in the audited financial statements; and
- (e) In view of the purpose of the summary financial statements, contain the information necessary, and are at an appropriate level of aggregation, so as not to be misleading in the circumstances.

A7. Adequate disclosure of the summarised nature of the summary financial statements and the identity of the audited financial statements, as referred to in paragraph A6(a), may, for example, be provided by a title such as “Summary Financial Statements Prepared from the Audited Financial Statements for the Year Ended December 31, 20X1.”

Evaluating the Availability of the Audited Financial Statements (Ref: Para. 8(g))

- A8. The auditor’s evaluation whether the audited financial statements are available to the intended users of the summary financial statements without undue difficulty is affected by factors such as whether:
- The summary financial statements describe clearly from whom or where the audited financial statements are available;
 - The audited financial statements are on public record; or
 - Management has established a process by which the intended users of the summary financial statements can obtain ready access to the audited financial statements.

Form of Opinion (Ref: Para. 9)

A9. A conclusion, based on an evaluation of the evidence obtained by performing the procedures in paragraph 8, that an unmodified opinion on the summary financial statements is appropriate enables the auditor to express an opinion containing one of the phrases in paragraph 9. The auditor’s decision as to which of the phrases to use may be affected by generally accepted practice in the particular jurisdiction.

Timing of Work and Events Subsequent to the Date of the Auditor’s Report on the Audited Financial Statements (Ref: Para. 12)

A10. The procedures described in paragraph 8 are often performed during or immediately after the audit of the financial statements. When the auditor reports on the summary financial statements after the completion of the audit of the financial statements, the auditor is not required to obtain additional audit evidence on the audited financial statements, or report on the effects of events that occurred subsequent to the date of the auditor’s report on the audited financial statements since the summary financial statements are derived from the audited financial statements and do not update them.

Information in Documents Containing Summary Financial Statements (Ref: Para. 14–15)

A11. ISA (NZ) 720 (Revised) deals with the auditor’s responsibilities relating to other information in an audit of financial statements. In the context of ISA (NZ) 720 (Revised), other information is financial or non-financial information (other than financial statements

and the auditor's report thereon) included in an entity's annual report. An annual report contains or accompanies the financial statements and the auditor's report thereon.

A12. In contrast, paragraphs 14–15 deal with the auditor's responsibilities relating to information included in a document that also contains the summary financial statements and the auditor's report thereon. This information may include:

- Some or all of the same matters as those dealt with in the other information included in the annual report (e.g., when the summary financial statements and the auditor's report thereon are included in a summary annual report); or
- Matters that are not dealt with in the other information included in the annual report.

A13. In reading the information included in a document containing the summary financial statements and the auditor's report thereon, the auditor may become aware that such information is misleading and may need to take appropriate action. Relevant ethical requirements¹⁵ require the auditor to avoid being knowingly associated with information that the auditor believes contains a materially false or misleading statement, statements or information provided recklessly, or omits or obscures required information where such omission or obscurity would be misleading.

Information in a Document Containing the Summary Financial Statements that Deals with Some or All of the Same Matters as the Other Information in the Annual Report

A14. When information is included in a document containing the summary financial statements and the auditor's report thereon and that information deals with some or all of the same matters as the other information included in the annual report, the work performed on that other information in accordance with ISA (NZ) 720 (Revised) may be adequate for the purposes of paragraphs 14–15 of this ISA (NZ).

A15. When an uncorrected material misstatement of the other information has been identified in the auditor's report on the audited financial statements and that uncorrected material misstatement relates to a matter that is dealt with in the information in a document containing the summary financial statements and the auditor's report thereon, a material inconsistency between the summary financial statements and that information may exist or the information may be misleading.

Information in a Document Containing the Summary Financial Statements that Deals with Matters Not Dealt with in the Other Information in the Annual Report

A16. ISA (NZ) 720 (Revised), adapted as necessary in the circumstances, may be helpful to the auditor in determining the appropriate action to respond to management's refusal to make necessary revisions to the information, including considering the implications for the auditor's report on the summary financial statements.

Auditor's Report on Summary Financial Statements

Elements of the Auditor's Report

Title (Ref: Para. 16(a))

A17. A title indicating the report is the report of an independent auditor, for example, "Report of the Independent Auditor," affirms that the auditor has met all of the relevant ethical requirements regarding independence. This distinguishes the report of the independent auditor from reports issued by others.

Addressee (Ref: Para. 16(b), 17)

A18. Factors that may affect the auditor's evaluation of the appropriateness of the addressee of the summary financial statements include the terms of the engagement, the nature of the entity, and the purpose of the summary financial statements.

Identification of the Summary Financial Statements (Ref: Para. 16(c))

A19. When the auditor is aware that the summary financial statements will be included in a document that contains information other than the summary financial statements and the auditor's report thereon, the auditor may consider, if the form of presentation allows, identifying the page numbers on which the summary financial statements are presented. This helps readers to identify the summary financial statements to which the auditor's report relates.

Date of the Auditor's Report (Ref: Para. 16(m), 18)

A20. The person or persons with recognised authority to conclude that the summary financial statements have been prepared and take responsibility for them depend on the terms of the engagement, the nature of the entity, and the purpose of the summary financial statements.

Reference to the Auditor's Report on the Audited Financial Statements (Ref: Para. 19)

A21. Paragraph 19(i) of this ISA (NZ) requires the auditor to include a statement in the auditor's report on the summary financial statements when the auditor's report on the audited financial statements includes communication of one or more key audit matters described in accordance with ISA (NZ) 701.¹⁶ However, the auditor is not required to describe the individual key audit matters in the auditor's report on the summary financial statements.

A22. The statement(s) and description(s) required by paragraph 19 are intended to draw attention to those matters and are not a substitute for reading the auditor's report on the audited financial statements. The required descriptions are intended to convey the nature of the matter(s), and need not repeat the corresponding text in the auditor's report on the audited financial statements in its entirety.

Illustrations (Ref: Para. 16, 19–21)

A23. Appendix 1 to this ISA (NZ) contains illustrations of auditors' reports on summary financial statements that variously:

¹⁶ ISA (NZ) 701, paragraph 13.

- (a) Contain unmodified opinions;
- (b) Are derived from audited financial statements on which the auditor issued modified opinions;
- (c) Contain a modified opinion;
- (d) Are derived from audited financial statements where the auditor's report thereon includes a statement describing an uncorrected material misstatement of the other information in accordance with ISA (NZ) 720 (Revised); and
- (e) Are derived from audited financial statements where the auditor's report thereon includes a *Material Uncertainty Related to Going Concern* section and communication of other key audit matters.

Comparatives (Ref: Para. 23–24)

A24. If the audited financial statements contain comparatives, there is a presumption that the summary financial statements also would contain comparatives. Comparatives in the audited financial statements may be regarded as corresponding figures or as comparative financial information. ISA (NZ) 710 describes how this difference affects the auditor's report on the financial statements, including, in particular, reference to other auditors who audited the financial statements for the prior period.

A25. Circumstances that may affect the auditor's determination whether an omission of comparatives is reasonable include the nature and objective of the summary financial statements, the applied criteria, and the information needs of the intended users of the summary financial statements.

Unaudited Supplementary Information Presented with Summary Financial Statements (Ref: Para. 25)

A26. ISA (NZ) 700 (Revised)¹⁷ contains requirements and guidance to be applied when unaudited supplementary information is presented with audited financial statements that, adapted as necessary in the circumstances, may be helpful in applying the requirement in paragraph 25.

Auditor Association (Ref: Para. 26–27)

A27. Other appropriate actions the auditor may take when management does not take the requested action may include informing the intended users and other known third-party users of the inappropriate reference to the auditor. The auditor's course of action depends on the auditor's legal rights and obligations. Consequently, the auditor may consider it appropriate to seek legal advice.

REPORT OF THE INDEPENDENT AUDITOR ON THE SUMMARY FINANCIAL STATEMENTS

[Appropriate Addressee]

Opinion

The summary financial statements, which comprise the summary balance sheet as at December 31, 20X1, the summary income statement, summary statement of changes in equity and summary cash flow statement for the year then ended, and related notes, are derived from the audited financial statements of ABC Company for the year ended December 31, 20X1.

In our opinion, the accompanying summary financial statements are consistent, in all material respects, with *(or a fair summary of)* the audited financial statements, in accordance with FRS-43: *Summary Financial Statements* issued by the New Zealand Accounting Standards Board.

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by New Zealand equivalents to International Financial Reporting Standards (NZ IFRS). Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon. The summary financial statements and the audited financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited financial statements.

The Audited Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated February 15, 20X2. That report also includes:

- A Material Uncertainty Related to Going Concern section that draws attention to Note 6 in the audited financial statements. Note 6 of the audited financial statements indicates that ABC Company incurred a net loss of ZZZ during the year ended December 31, 20X1 and,

¹ As explained in paragraph 15 of ISA (NZ) 701, a material uncertainty related to going concern is, by its nature, a key audit matter but is required to be reported in a separate section of the auditor's report in accordance with paragraph 22 of ISA (NZ) 570 (Revised).

as of that date, ABC Company's current liabilities exceeded its total assets by YYY. These events or conditions, along with other matters as set forth in Note 6 of the audited financial statements, indicate that a material uncertainty exists that may cast significant doubt on ABC Company's ability to continue as a going concern. These matters are addressed in Note 5 of the summary financial statements.

- The communication of other² key audit matters. [Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period.]³

Directors'⁴ Responsibility for the Summary Financial Statements

Directors are responsible on behalf of the entity for the preparation of the summary financial statements in accordance with FRS-43: *Summary Financial Statements*.

Auditor's Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with (*or are a fair summary of*) the audited financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (New Zealand) (ISA (NZ)) 810 (Revised), *Engagements to Report on Summary Financial Statements*.

Other than in our capacity as auditor we have no relationship with, or interests in, ABC Company.

[Date of the auditor's report]

² In the circumstances where there is no material uncertainty related to going concern, inclusion of the word "other" in the statement for the communication of key audit matters would not be necessary.

REPORT OF THE INDEPENDENT AUDITOR ON THE SUMMARY FINANCIAL STATEMENTS

[Appropriate Addressee]

Opinion

The summary financial statements, which comprise the summary statement of financial position as at December 31, 20X1, the summary statement of comprehensive income, summary statement of changes in equity and summary statement of cash flows for the year then ended, and related notes, are derived from the audited financial statements of ABC Company (the Company) for the year ended December 31, 20X1. We expressed a qualified audit opinion on those financial statements in our report dated February 15, 20X2.⁶

In our opinion, the accompanying summary financial statements are consistent, in all material respects, with (*or a fair summary of*) the audited financial statements, on the basis described in Note X. The Audited Financial Statements and Our Report Thereon

We expressed a qualified audit opinion on the audited financial statements in our report dated February 15, 20X2. The basis for our qualified audit opinion was [that management has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from International Financial Reporting Standards]. The Company’s records indicate that had management stated the inventories at the lower of cost and net realizable value, an amount of xxx would have been required to write the inventories down to their net realizable value. Accordingly, cost of sales would have been increased by xxx, and income tax, net income

⁶ The positioning of this reference to the qualified opinion in the auditor’s report on the audited financial statements in the Opinion paragraph on the summary financial statements assists users in understanding that although the auditor has expressed an unmodified opinion on the summary financial statements, the summary financial statements reflect audited financial statements that are materially misstated.

XRB Au1 Application of Auditing and Assurance Standards

In Appendix 2, ISA (NZ) 810 is amended to reflect the issue of ISA (NZ) 810 (Revised).

ACCOMPANYING ATTACHMENT: CONFORMITY TO THE INTERNATIONAL STANDARDS ON AUDITING

This conformity statement accompanies but is not part of ISA (NZ) 810 (Revised).

Conformity with International Standards on Auditing

This International Standard on Auditing (New Zealand) (ISA (NZ)) conforms to International Standard on Auditing ISA 810 (Revised) *Engagements to Report on Summary Financial Statements*, issued by the International Auditing and Assurance Standards Board (IAASB), an independent standard-setting board of the International Federation of Accountants (IFAC).

Paragraphs that have been added to this ISA (NZ) (and do not appear in the text of the equivalent ISA) are identified with the prefix “NZ”.

The following requirement is additional to ISA 810 (Revised) and ASA 810:

- The auditor’s report shall include a statement as to the existence of any relationship (other than that of auditor) which the auditor has with, or any interests which the auditor has in, the entity. [Ref. Para. NZ16.2]

This ISA (NZ) incorporates terminology and definitions used in New Zealand. References to “management” and “those charged with governance” have been amended in the ISAs (NZ) because in New Zealand, those charged with governance generally have a statutory responsibility for ensuring the entity meets its legal obligations in relation to the preparation of the financial statements. The ISAs require the auditor to agree the terms of the engagement with management. The ISAs (NZ) require agreement with those charged with governance. Paragraphs where references to “management” have been amended have been labelled as NZ paragraphs.

Compliance with this ISA (NZ) enables compliance with ISA 810 (Revised).
